**ORDINANCE NO. 2021-001**

**A TEMPORARY ORDINANCE REGARDING THE ISSUANCE OF LOCAL MEDICAL CANNABIS ESTABLISHMENT PERMITS AND/OR LICENSES.**

WHEREAS, a local government may enact an ordinance not in conflict with SDCL Chapter 34-20G, governing the time, place, manner, and number of medical cannabis establishments in the locality. A local government may establish civil penalties for violation of an ordinance governing the time, place, and manner of a medical cannabis establishment that may operate in the locality. A local government may require a medical cannabis establishment to obtain a local license, zoning permit, or registration to operate, and may charge a reasonable fee for the local license, zoning permit, or registration.

WHEREAS, Hyde County, SD (“County”), makes a preliminary finding that the County’s current regulations and controls may not adequately address the unique needs and impacts of medical cannabis establishments as defined in SDCL 34-20G-1;

WHEREAS, medical cannabis state laws under SDCL 34-20G are effective July 1, 2021. The South Dakota Department of Health shall promulgate rules pursuant to chapter 1-26 not later than October 29, 2021, as defined by SDCL 34-20G-72. During the time between July 1, 2021 and potentially as late as October 29, 2021, local units of government will not yet know standards for medical cannabis and will not be able to adequately assess the local zoning and licensing requirements necessary to approve local permits and to better ensure applicants have a more predictable permitting process and avoid stranded investments.

WHEREAS, the County makes a preliminary finding that the County needs further study of the relationship of medical cannabis establishments to the County Comprehensive Plan and Zoning Ordinance. The public interest requires that the County study, analyze, and evaluate the impacts of medical cannabis establishments and to fully explore the impacts of any proposed regulations regarding medical cannabis establishments;

WHEREAS, the County makes a preliminary finding that it would be inappropriate for the County to issue a local permit or license to a medical cannabis establishment prior to the South Dakota Department of Health’s promulgation of regulations governing the same;

WHEREAS, the County hereby exercises its authority under SDCL 11-2-10 and SDCL 7-18A-8, to establish a temporary ordinance regarding the issuance of any local permits/licenses for medical cannabis establishments within the County;

WHEREAS, a temporary ordinance will ensure that more comprehensive zoning ordinance and building permit changes, licensing permits, and any proposed amendments to the County’s Comprehensive Plan can be completely examined with adequate public input from citizens, business interests, and medical cannabis industry representatives;

WHEREAS, the County finds that a temporary ordinance is reasonable to preserve the status quo and prevent significant investment pending the outcome of the above study and any proposed regulations emanating therefrom;

WHEREAS, the County finds that the following ordinance is necessary to protect and immediately preserve the public health, safety, welfare, peace and support of the county government and its existing public institutions;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF HYDE COUNTY COMMISSIONERS:

*Section 1. Temporary Ordinance – Application for Local Permit/License*

A medical cannabis establishment desiring to operate in Hyde County, SD, shall be required to apply for a permit and/or license from the County. Applications for a local permit and/or license to operate a medical cannabis establishment, as defined by SDCL 34-20G-1, shall not be accepted until sixty days have passed following the South Dakota Department of Health’s promulgation of regulations as required by SDCL 30-20G-72. Any application received prior to sixty days having passed following such regulations being promulgated shall be denied.

*Section 2. Immediate Effect.*

This ordinance is necessary to protect and immediately preserve the public health, safety, welfare, peace, and support of the county government and its existing public institutions pursuant to SDCL 11-2-10 and SDCL 7-18A-8.

Passed and adopted this 6<sup>th</sup> day of July 2021.
