Motor Vehicle Registration and Renewals Month of November 2021

Hyde County Treasurer, Sherri Dittman wishes to inform the public of an upcoming change in the South Dakota Motor Vehicle computer system. **The State will be implementing a new software system on Monday, November 29, 2021 which may affect all vehicle transactions including title transfers, registration renewals, duplicate tags, etc. The DMV Now Kiosks may also be affected by the new software.**

Citizens with the first letter of their last name of T/U/V/W/X/Y/Z whose registration renewals are due in the month of November are strongly encouraged to complete their transactions early in the month and not wait until the last few days of the month. Registrations may be renewed up to 90 days prior to their expiration.

Vehicle transactions are processed at the Treasurer's Office during regular business hours (see below). **The last admittance Monday through Thursday will be approximately 4:15 p.m. as all transactions must be completed in the system by 5:00 p.m. If time will not allow for completion by 5:00 p.m., you may be asked to return another date.**

Cash, personal checks, cashier's checks, money orders and credit cards are accepted. You must present a state-issued ID containing both a picture and a signature and provide a valid phone number. If you have an out-of-state driver's license and you are completing a title transfer, you must also provide a copy of your social security card. No out-of-state, counter checks, starter checks or two-party checks are accepted. Visa, MasterCard, and Discover are accepted. The fees are variable and are added to your transaction.

For questions, please call the Treasurer's Office at (605) 852-2510 during regular business hours (see below).

Courthouse Hours:

Monday - Thursday 7:30 - 5:00 (closed 12:00-12:30 lunch)

Friday 7:30 - 12:00
